(A)

Everyone knows that it is important to take care of(关心) our eyes. But how can you take care of your eyes? The answer is simple. Have your eye doctor check your eyes regularly(有规律地)—at least once a year. Doctor will use special equipment(设备) to examine(检查) changes and problems in your eyes. If you think something is wrong, don't wait. The sooner you take care of the problems, the better.

() 1. How can you take care of your eyes?

A. Don't use them.

B. Read in the sun.

C. Ask the doctor to check them regularly.

D. Ask your parents to look at them.

() 2. How often should you check your eyes?

A. At least once a year.

B. Every summer.

C. At least three times in life.

D. On the weekends.

() 3. Which is not true?

A. Everyone knows that protecting eyes is very important.

B. We can never know if there is anything wrong with our eyes.

C. Special equipment can help to find problems in your eyes.

D. If there is something wrong with your eyes, you had better see the doctor right now.

() 4. Which is a good habit for your eyes?

A. Read in bed.

B. Watch TV for long time.

C. Study for long time.

D. Often do eye exercises.

(B)

Hello, my name is Susan. I have some habits. Some are good, but some are bad.

I like reading very much. From reading science books, I get a lot of knowledge. From reading novels, I lose myself in the stories. I like doing sports, too. It helps me keep healthy. Also I never put today's work till tomorrow. They are all my good habits. They help me a lot in my daily life.

However, I also have some bad habits. For example, sometimes I do my homework slowly, and stay up till very late. During meals I prefer meat to vegetables. And sometimes I play computer games too long without having a rest. They are all harmful to my health.

From now on I'll try to keep my good habits, and give up the bad ones. Then I'll live better.

1. Does Susan have good habits? _____

2. Does Susan like reading? _____

3. Does Susan like vegetables very much? _____

4. Playing computer games too long is good for your health, isn't it? _____

5. Does Susan do her homework slowly or quickly? _____
